Exhibition details

The Spillcon 2019 exhibition forms part of the conference and will run from Monday 20 to Thursday 23 May 2019.

The exhibition will be held in the space immediately adjacent to the conference hall providing easy access for delegates. Catering for the conference will be served throughout the exhibition space, offering ample opportunity to promote your products and services.

Exhibition showcase

The Spillcon 2019 program will include an Exhibition Showcase, which is a period within the conference program that will be devoted to the exhibition, allowing additional exposure for exhibiting organisations. Delegates will have the opportunity to mingle throughout the exhibition hall and interact with exhibitors and products on show.

Stand size

Standard 3 x 3 metre shell-scheme exhibition stands are being offered at Spillcon 2019 which include:

- seamless, frontrunner, walls and fascia
- velcro compatible
- 1 x standard sign to display company name
- 1 x set dual 60 watt spotlights (directional)
- 1 x 240 volt / 1000 watt / 4 amp power outlet, and
- venue flooring (carpet)

Open floor space is also available for building custom exhibition stands. Open floor stands do not come equipped with walls, floor coverings or electricity. The set-up and cost of these items for open floor exhibitors is additional.

Spillcon 2019

The Australian Institute of Petroleum (AIP) and the Australian Maritime Safety Authority (AMSA) invite exhibitors to attend the International Oil Spill Conference for the Asia-Pacific region - Spillcon 2019 - *Global, Regional, Local*.

While proudly organised by Australia's key government and industry agencies responsible for Australia's marine environmental protection arrangements, Spillcon 2019 is also supported by the International Maritime Organization.

Spillcon 2019 will be held at the Crown Towers in Perth, Australia, from 20-24 May 2019.

AIP is an industry association representing the interests of the petroleum products sector of the Australian oil industry. The Australian Marine Oil Spill Centre, a subsidiary of AIP, provides oil spill preparedness, response and training services.
